RE: Adjustments to Snake River Basin Adjudication (SRBA) claims 67-14360, 67-14364, 67-14270

Dear Mr. and Ms. Blendu

I am writing to inform you of changes to the following SRBA claims:

1) 67-14360 was the result of splitting claim 67-149 into two parts per a request for a change of ownership submitted in 2001. My research indicates that 67-149 should not have been split because the place of use applicable to 67-149 is not on the NE side of Keithly Creek. I have re-combine claims 67-14360 and 67-14361 into parent claim 67-149.

67-14360 is no longer a valid SRBA claim. Please remove it from your records.

2) Ownership of 67-149 was then changed from your name into the name of William Griffin per change of ownership request submitted in 2000. I just wanted to inform you of the change.

3) 67-14364 was the result of splitting claim 67-7206 into two parts per a request for a change of ownership submitted in 2001. My research indicates that the proportioning of the water right was not accurate as it was not calculated based on irrigated acres. Since IDWR conducted the original split, in order to fix an error, I have amended claim 67-14364 (and 67-14365) to more accurately represent the division of the water right claimed under SRBA claim 67-7206.

Please feel free to contact me with any questions.

Respectfully submitted,

Renumbered to Notice of Claim to a Water Right No. 67-14270

Dear Claimants:

We have received and processed a Change of Ownership for a portion of your original Claim to a Water Right Number as referenced above. This change of ownership resulted in a split of your original claim.

When a portion of the original water right claim has been conveyed to another and the original right has been split, then the original claim number is renumbered by issuing a new water right number to represent each split. Each split contains only the portion of the original right for each separate owner. The above referenced new water right number reflects your remaining portion of the original claim after the change of ownership. Enclosed is a copy of this new claim for your records. Please refer to your new claim number when corresponding with our office. Also enclosed is a copy of the original claim for your reference.

If you have any questions concerning this ownership change, or the enclosed claim copy, please feel free to contact this office.

Sincerely,

Denise Buffington

RE: Adjustments to Snake River Basin Adjudication (SRBA) claims 67-14361, 67-14365

Dear Ms. Jenson,

I am writing to inform you of the following changes to your SRBA claims:

1) 67-14361 was the result of splitting claim 67-149 into two parts per a request for a change of ownership submitted in 2001. My research indicates that 67-149 should not have been split because the place of use applicable to 67-149 is not on the NE side of Keithly Creek. I have recombine claims 67-14360 and 67-14361 into parent claim 67-149.

67-14361 is no longer a valid SRBA claim. Please remove it from your records.

2) 67-14365 was the result of splitting claim 67-7206 into two parts per a request for a change of ownership submitted in 2001. My research indicates that the proportioning of the water right was not accurate as it was not calculated based on irrigated acres. Since IDWR conducted the original split, in order to fix an error, I have amended claim 67-14365 (and 67-14364) to more accurately represent the division of the water right claimed under SRBA claim 67-7206.

3) Ownership of 67-14270 was changed into your name after re-reviewing a request for change of water right ownership submitted in 2001. It appears that this right is applicable to ground you own. Please review and retain for your records.

Please feel free to contact me with any questions.

Respectfully submitted,

Subject: Preliminary Recommendations For SRBA claims

Per our telephone discussion you requested information for the following SRBA claims:

67-14361
67-14363
67-14365

In addition, I found another claim that appears applicable to the property you are researching:

67-14270

There are a couple of things to note:

67-14363 claims storage water from Lost Valley Reservoir. This "private" claim to the water right was recommended as disallowed because the water use claimed will be recommended in the name of Lost Valley Reservoir Company.

67-14361: This right is the result of splitting decreed right 67-149 per request through a change of ownership submitted by Jenson in 2002. 67-149 was split into 67-14360 and 67-14361. My research indicates that no portion of 67-149 is applicable to the property on the NE side of Keithly Creek and that SRBA claim 67-149 was split in error. Since IDWR conducted the original split, in order to fix an error, I re-combine 67-14360 and 67-14361 back into SRBA parent claim 67-149. So at this time, claim number 67-14361 is not an "active" claim and there is not a claim for any of the 67-149 decreed water on the NE side of Keithly Creek.

Ownership: The ownership recommended on the above recommendations is based on the information I have in the file. If you or someone you know has purchased the property in which the above water rights are applicable to, a request for a change of ownership needs to be filed. You can find the form at www.idwr.idaho.gov

Take a look at the recommendations. If you have questions, please feel free to contact me. Keep in mind that these are preliminary recommendations and can change if information is submitted which would necessitate that a change be made.

From: Craig L. Saxton

Re: Re-calculating splits made due to a change of ownership.

On 8/4/2000 IDWR received a request for change of ownership for several rights. License 67-7280 was split into two parts based on deed information..

The split distribution was done in error as the right was split based on land ownership rather than irrigated ground. While reviewing for recommendation, it was determined that the right should be split differently.

I am amending claim 67-14270 and 67-14271 to reflect the respective portions based on irrigated ground rather than ownership of the ground for license 67-7280.
