+ 14334 + 14340 = all 3
total almost 44 acres.

Enclosed is a copy of the above referenced claim(s), which reflect the necessary name change for Reva, and the address change for both claimants.

Please note that the enclosed Notice of Claim to a Water Right is not a final determination of your water right. This claim was filed during claims taking in the Snake River Basin Adjudication (SRBA) and has not yet been verified by this Department. Water rights are established and maintained by beneficial use of water for the uses designated on this claim form dating back to the priority date listed. This claim will be investigated, verified and recommended to the SRBA Court for court decree sometime in the near future. You will be notified prior to the beginning of any verification of this water right.

Thank you for your patience and cooperation, as we have had several water right changes to process. If you have any questions concerning the enclosed information, please feel free to contact this office.

Sincerely,

A handwritten signature in cursive script that reads "Denise Buffington".

Reva Tisdale came in the office today to file for a name change on their water rights. The claim was filed in the names of Michael Tisdale and Reva Bailey. They have since married, and moved to a different address. She did not have the marriage certificate with her, so we accepted her updated driver's license as proof of name and address change.
