NOTES

Visited office today.

Mentioned 67-4055 but not sure of irrev rights) info.

Galus bought from Nida.

Nida " " Strawn.

Strawn " " Btg Lysing. (SEE dealer)

Galus has a 3 acres irrev worth if not entirely June 5, 10 (sketched irrev area on 8" x 11 plat, which shows some in nurse - might not be accurate re QCR, trust as June since bought from Strawn & Strawn records not in nurse... can verify if accomplished transfer re small piece nurse in later AT follow up).

Said only uses Pine Ck. pld so might need to verify that later in BJ recommendations.

NO fee re own. change of AT records.

To: File 67-14387, 67-14389 & 67-14391
From: Denise Hatfield
Date: December 12, 2002
Subject: Ownership information

An address update was sent for signature to Margaret Strawn on November 26 2002. She signed and returned the letter, verifying her mailing address, however, she indicated on the letter that she had sold the property to George Carver. When that particular ownership change was processed on November 18 2002, it resulted in a split. Carver is the current owner on claim numbers 67-14388, 67-14390 & 67-14392. The splits are as follows:

67-225 split into 67-14387 (Strawn) & 67-14388 (Carver)

67-235 split into 67-14389 (Strawn) & 67-14390 (Carver)

67-4055 split into 67-14391 (Strawn) & 67-14392 (Carver)

Re: Original Notice of Claim to a Water Right No. 67-00225

Renumbered to Notice of Claim to a Water Right No. 67-14387

Dear Claimant(s):

We have received and processed a Change of Ownership for a portion of your original Claim to a Water Right Number as referenced above. This change of ownership resulted in a split of your original claim.

When a portion of the original water right claim has been conveyed to another and the original right has been split, then the original claim number is renumbered by issuing a new water right number to represent each split. Each split contains only the portion of the original right for each separate owner. The above referenced new claim number reflects your remaining portion of the original claim after the change of ownership. Enclosed is a copy of this new claim for your records. Please refer to your new claim number when corresponding with our office.

Please note that the enclosed Notice of Claim to a Water Right is not a determination of your right. This claim represents the remaining portion of the claim filed during claims taking in the Snake River Basin Adjudication (SRBA) and has not yet been verified by this Department. Water rights are established and maintained by beneficial use of water for the uses designated on this claim form dating back to the priority date listed. This claim will be investigated, verified and recommended to the SRBA Court for court decree sometime in the near future. You will be notified prior to the beginning of any verification of this water right.

If you have any questions concerning this ownership change, or the enclosed claim copy, please feel free to contact this office.

Sincerely,

Adjudication Section
Western Region Office
