Dear Claimant(s):

In the past you submitted the claim(s) identified with the number(s) shown above your name and address at the top of this letter. You indicated on the claim(s) that the basis for establishing the water right(s) was Beneficial Use, meaning the water right was not previously confirmed by a decree, water right license or permit before you filed the claim(s).

The purpose of this letter is to request evidence supporting the priority date(s) you have claimed. The enclosed pamphlet describes what this means. While I encourage you to read all of the pamphlet, I direct your attention to the right-hand half of the pamphlet after you open it. There you will find two sections: What Kind of Evidence is Required, and Some Examples of Documents which May Be Evidence of the Priority Date. These sections tell you what must be submitted. The other sections tell you why the evidence is necessary and what the consequences of not submitting the evidence could be.

Please submit the requested evidence by November 1, 1990. When returning to the Department please reference all documents with the claim(s) identification number(s) listed above.

If you have questions not addressed by the pamphlet or need other technical assistance, please feel free to contact this office. For advice on your water right(s), please contact your attorney.

Sincerely,

Allen Merritt, P.E.

DIRECTIONS TO PROPERTY / REMARKS:

I talked with Rob Sellers about how he presently irrigates the land. He indicated and I confirmed that the land is presently sprinkled from a system which uses live water based on shares from the NSCC. Rob indicated that this has been done since 1990. The waste water has not been used since then. I still looked at the system for delivery of the waste water and will base my recommendation on the old delivery system. Note that the overflow from the canal live water & the waste water combines in Sec. 35 to the north. It might be considered the new system is an exchange in P/D if excess or waste is diverted ~~into~~ with the canal shares.
