RESPONSE DEADLINE:
DECEMBER 22, 2020

SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-10544

Dear claimants,

The Idaho Department of Water Resources (IDWR) is reviewing water right claims filed in the Palouse River Basin Adjudication. During my review of your claims, I have a question regarding the second well. On November 6th, I called and left a message with someone to have you call me back, but I have not received a returned call.

The second well on the south side of the road near the shed was claimed as a supplemental well. When was this supplemental well completed? Please write a short statement, to the best of your knowledge, stating when the second well was completed. Then, sign and date the short statement. This statement will be used as evidence to document the additional well for your water right claim.

Please mail the completed signed statement to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. I attached a copy of your claim to this letter for reference. If I do not hear from you by the response deadline, your claim may not be accurate and recommended for only one well.

If you have any questions feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
