SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-10484

RESPONSE DEADLINE:
DECEMBER 23, 2020

Dear claimants,

Idaho Department of Water Resources is reviewing your water right adjudication claim number 87-10484. During my review, I noticed that your claimed use is from January 1 to December 30, which is not year-round use. If you use your well year-round, this should be corrected. To correct your claim for year-round use, you must amend your claim. Below are the instructions to do so. If you do not want to, or do not use the well year-round, you may disregard this mailing.

Attached to this letter is an amended claim. Everything on the amended claim is the same as the original except these highlighted sections:

- #6, Use: Changed it from 1-1 to 12/30, to 1-1 to 12-31.

Below are further instructions required from you:

- #14, Blue Arrow, Signature: Both Daniel and Christine Miller sign and date the document.

Review the claim for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it. I will send you a copy of your original Notice of Claim for reference.

After you have completed the amendment, please mail it back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you do not return the amended claim by the response deadline, your claim will be recommended as claimed. If you have any questions, feel free to contact me. My telephone number is (208)762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
