SUBJECT: Palouse River Basin Adjudication (PRBA) Claim No. 87-10494

RESPONSE DEADLINE:
DECEMBER 24, 2020

Dear claimant,

Idaho Department of Water Resources (IDWR) has begun reviewing your water right adjudication claim number 87-10494. While reviewing your claim, I want to ensure that I accurately recommend your water right.

On the supplied map, would you please mark an X on the approximate well location(s) supplying the home? Also, circle the home. This map will be used to accurately represent the well(s) and home's legal description for your water right.

Lastly, if there is more than one well supplying the home, next to the blue arrow at the bottom of the map please write to the best of your knowledge when the wells were completed. If you do not return the completed map by the response deadline, your claim may be inaccurate or recommended as disallowed.

After you have completed the map, please send it to my attention at 7600 N. Mineral Dr. Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
