RE: Ownership of Palouse River Basin Adjudication (PRBA) Water Right Claim No. 87-10280

Dear Property Owner,

Our office has been advised that you may be the new owner of Latah County parcel RP40N05W086918, which includes the water right claim referenced above.

We are currently reviewing PRBA water right claims in your area, and per data we have reviewed, it appears that water right claim 87-10280 is appurtenant to the property you own. Before we can modify our records to reflect your ownership of this claim, we need to have the enclosed Notice of Change in Water Right Ownership form completed and submitted with the proper conveyance documents reflecting your ownership. A copy of the signed and notarized warranty deed works best for this purpose. Please follow the instructions included with this form and return it to our office with all the required information.

PLEASE NOTE: If the enclosed change of ownership document is not completed and returned, then the water right claim affecting your property may be decreed by the Court in the former property owner's name.

If you have any questions regarding this matter, please contact our adjudication staff at 208-762-2800.

Best Regards,
