RE: Amended Claim

Dear Claimants:

On June 27, 2019, you submitted Notice of Claim to a Water Right (Claim) 87-11276. There is an existing statutory claim for the same pond, water right 87-4173. The identification number of your adjudication claim has been renumbered from 87-11276 to 87-4173. I have enclosed a copy of your original claim. You claimed a rate of 0.02 cubic feet per second. However, there was no water storage component for your pond. Statutory claim 87-4173 does have the storage component. The enclosed Amended Notice of Claim 87-4173 includes a volume of 10 acre feet.

Please review the amended claim. If you agree with the elements, sign the document and return it to me in the enclosed envelope by January 15, 2021. There is no fee for this change. I have also enclosed the water right report for existing claim 87-4173 and a map showing your place of use and point of diversion.

If you have questions please contact me at 208.287.4881 or sandra.thiel@idwr.idaho.gov.

Sincerely,

A handwritten signature in black ink that reads "Sandra Thiel". The signature is written in a cursive, flowing style.
