RE: Claims to a Water Right

Dear Mr. Gregory:

Enclosed is Notice of Claim to a Water Right number 87-10083 for the well water usage at what is now C & L Lockers. Also enclosed is a map, and a second claim for the water usage at the shop. This claim is numbered 87-12252.

87-10083

Please review the information on the form for accuracy and sign and date under item 14. If there are any changes just cross out the old information and add in the new. Be sure to initial and date any changes made. Under item 5 for example, where water usage is listed for meat processing.

87-12252

Same as above but note the priority date under item 2 – is it accurate(?), and item 5 - description of diverting works. Note that your daily water usage is listed as being under 2500 gallons per day.

For the map – please show where the well is located and circle the places of use. Return the claims and map as soon as possible to my attention at the address listed above – by December 18 please. We'll need \$25.00 for the filing fee on 87-12252 and the fee for claim 87-10083 was received on September 23, 2019. The receipt is enclosed.

Call me if you have any questions.

Sincerely,

Linda A. Werner
Senior Water Resource Agent
