SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-10419

RESPONSE DEADLINE:
JANUARY 12, 2021

Dear Mr. Bruns,

The Idaho Department of Water Resources has begun reviewing your Notice of Claim to a Water Right 87-10419 for a spring used for stockwater purposes. During my review, I noticed an issue with the date of priority. The claimed priority date is 1/1/0001. On the provided Amended Notice of Claim form, please correct the priority date for when stock began drinking directly from the spring as claimed. To do this, next to the yellow arrow cross out 1/1/0001 and in an adjacent space write the correct claimed priority date. Then, initial next to the new date. Lastly, sign and date the document again on page three, next to the purple arrow.

If you do not complete the amended claim form, your claim may be recommended as disallowed.

Review the claim for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it.

Please mail the completed Amended Notice of Claim back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
