Dear Mr. Harvill,

In regards to our phone conversation on 12/28/2020, enclosed is your Amended Notice of Claim to a Water Right. Below are comments on what is amended on the claim. Everything on the Amended Claim is the same as the original claim except these highlighted sections:

- #2, Date of Priority: Changed it from 4/12/2019 to 1909.

Below are further instructions required from you:

- **#14, Yellow Arrow, Signature:** You and/or Sondra Harvill sign and date the document.
- **Written Statement:** Provide a written statement describing the family history of who/when stock use began on the property. You and/or Sondra Harvill sign and date the document.

By amending your claim, you are more accurately reflecting the priority date for your claim. The written statement will be used as priority date evidence for your claim. If you do not complete the amended claim form and provide a signed written statement, your claim will be recommended with the original claimed priority date.

Review the claim for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it. I will send you a copy of your original Notice of Claim for reference.

Please mail the completed Amended Notice of Claim back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.
