INSTRUCTIONS FOR USE

This form is to be used to provide notice of a change in address of a party or to substitute a party whose water right was recommended in a director's report. *The filing of Standard Form 3 cannot result in a contested matter and a hearing will not be scheduled.* If completed as directed, the form will be accepted by the court and no further orders will issue. Standard Form 3 shall not operate to excuse compliance with the statutory requirements of I.C. § 42-1409(7) (1986) where a water right recommendation is not before the court.

This form has been adopted by the court in Re SRBA, Twin Falls County Case 39576, *SRBA Administrative Order 1 Rules of Procedure* (amended 6/21/93), Section 4Ac(3), which may be consulted for further information.

A party may copy or reproduce the standard form. The text of the form must be on the front and back of each page, exactly as it appears here. Follow the instructions on the form or it will not be accepted for filing. The Verification and the Certificate of Mailing must be completed.

Case No. 39576
NOTICE OF FILING AMENDED DIRECTOR'S
FOR REPORTING AREAS 1, 2, AND 3
(BASINS 34, 57 AND 36)

TO: ALL CLAIMANTS OF RIGHTS TO THE USE OF WATER IN REPORTING AREAS 1, 2 AND 3
(BASINS 34, 57 AND 36)

The Idaho Department of Water Resources has filed Amended Director's Reports for Reporting Areas 1, 2, and 3 (Basins 34, 57, and 36, also known as the test basins) with the SRBA District Court. One of the purposes of the Amended Reports is to conform the director's reports to the requirements of the adjudication statute, Title 42, chapter 14, Idaho Code, which was amended in 1994.

The Amended Reports amend the "preamble" to the director's reports, which include "general provisions." The general provisions apply to all water rights or certain classes of water rights, and are recommended to be included in the court's decree of water rights. The amendments significantly reduce the general provisions, and include some changes in the text of the remaining general provisions. The remainder of the preamble consists of explanatory material. The Amended Reports do not change the list of water rights in the report. IDWR will file amended reports at a later date that revise the list of water rights in the reports.

The SRBA District Court has entered an order granting the amendments to the Director's Report for Basin 57 in part. The order further provides that no additional objections to the remaining general provisions in the Basin 57 report will be allowed. The court has entered an order setting a hearing on the Amended Reports for Basins 34 and 36 on January 16, 1996, at 1:30 p.m., at the SRBA Court-house. **The order provides that any party opposing the amendments to the report shall file with the court a notice and brief in opposition by 5:00 p.m. January 8, 1996;** any party wishing to file a response to the objections shall file their briefs prior to 5:00 p.m., January 15, 1996.

Some claimants have filed a motion asking the court to designate the general provisions as "Basin Wide Issue No. 5" for determination by the court. The court has entered an order designating the general provisions in Basin 57 as Basin Wide Issue No. 5. (One of the general provisions, concerning the Reynolds Creek Decree, was referred to the special master for Basin 57.) A hearing on the designation of general provisions in Basins 34 and 36 as part of Basin Wide Issue No. 5 will be held January 16, 1996, at 1:30 p.m. at the SRBA Courthouse.

The court's order also sets forth a schedule for the resolution of Basin Wide Issue No. 5. All parties to the SRBA who intend to participate must file with the SRBA District Court a notice of intent to participate by 5:00 p.m., January 5, 1996. The notice must state whether the party supports or opposes the inclusion of each general provision in the court's decree, and clearly and briefly explain their position. Briefs in support of the general provisions must be filed with the court by 5:00 p.m., January 26, 1996. Briefs in opposition to general provisions must be filed with the court by 5:00 p.m., February 9, 1996. Responsive briefs must be filed with the court by 5:00 p.m., February 16, 1996. A pretrial conference will be held at 9:00 a.m. on February 20, 1996, and hearing will be held at 9:00 a.m. on March 12, 1996, at the SRBA Courthouse.

A copy of each amended report is available for inspection at the locations listed on this notice. Copies of all or a portion of the amended reports and/or the court's orders are available from the offices of IDWR listed on this notice, subject to payment of costs of mailing and/or copying.

If you have questions about the SRBA, please call any office of IDWR listed in this notice; if you have questions concerning your rights and responsibilities as a claimant in the SRBA, please consult your attorney.

Dear Claimant,

IDWR has been notified by the Post Office the address presently in our claim records is incorrect. Although we have reached you at the address above, we need you to confirm this is your correct mailing address. Future notices related to your SRBA claims can be sent only to the address on your claims or as otherwise changed by you. The staff of this agency must avoid relying upon the word of others about your mailing address.

We have two different addresses for you, as follows:

36-07006: 2839 Sunflower, Anchorage, AK 99504

36-10012: c/o J.R. Cox, 693 N. 600 E., Springville,
Utah, 84663

If the address above is correct, and if you would prefer to have the same address on both of your water right claims, please sign your name at the bottom of this letter, and return it to this office. Otherwise, please make the proper corrections, sign, and return this letter. That action will suffice to change our records, but not those of the SRBA court. SRBA Judge Hurlbutt issued an Order June 17, 1993 requiring claimants like yourself identified in a Director's Report to use Standard Form 3 for change of address. I have enclosed Standard Form 3 for your use. Please contact us or the Court (208/736-3011) if you have any questions.

Also enclosed is the October 20, 1994, letter which was returned by the Post Office.

Department of Water Resources

Dear Water Right Holder:

I wanted to let you know personally about some important developments that involve your water right in Basin 36.

The last session of the Idaho Legislature authorized the Idaho Department of Water Resources to require measurement and reporting by water users of the water diverted under their water right. The requirement applies to all water rights except small uses such as domestic and stockwater.

The Department has selected Basin 36 as the initial area in which the measurement and reporting requirements will be implemented. In Basin 36 the requirement to measure and report water diversions will begin next year. The program eventually will be implemented state wide. IDWR will initially concentrate on the measurement of ground water diversions but may expand the measuring requirements to surface water diversions as well.

The Department has organized a pair of public meetings so we can provide you with information about the program. We want to answer any questions you may have and to hear any suggestions you have about the shape and scope of the program. The meetings are scheduled for October 27th at the following locations:

BURLEY - 2:00 p.m. at the Burley Senior Citizen's Center, 2421 Overland Ave.

RE: RESPONSE TO NOTICE OF ERROR FOR ADJUDICATION CLAIMS
36-07006 AND 36-10012

Dear Mr Cox

Enclosed is an explanation for the remarks section for 36-07006. As noted, I am unable to delete the remark referencing the measuring device.

The reason you did not receive any notification concerning your domestic well is that you withdrew that claim in 1989. Enclosed is a copy of your request. Your \$25.00 filing fee was subsequently refunded on 10-19-89 on voucher no. 1212. In essence, you no longer have a recorded water right for domestic use.

If you have any further questions please contact this office and someone here can assist you.

Sincerely

Kelly K. Christensen
