SUBJECT: Palouse River Basin Adjudication Claim (PRBA) Nos. 87-10550, 87-10551

Dear Mr. Blazzard,

In regards to our phone conversation on 12/29/2020, enclosed is the Change in Water Right Ownership form and instructions. In addition to the form, please provide a copy of the Recorded Warranty Deed and a copy of the Death Certificate.

We also discussed providing a signed written statement as priority date evidence for the shop. Along with the signed written statement for the shop, I would also like a separate signed written statement from your mother regarding when the home was completed for claim 87-10551. The claimed priority date is 1996, but aerial photos show the home was completed between 1998 and 2004. Without a written statement as evidence, I will recommend the home with a 2004 priority date. If that is acceptable, then no further evidence is needed.

Please mail the completed Change in Water Right Ownership form and signed written statement(s) back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you or your mother have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

A handwritten signature in blue ink that reads "Christopher Holmes".
