COMMUNICATION DOCUMENTATION

Claim No. 36-02267 ET AL

This form is to be used to document public record information requests regarding any SRBA claim or claims. The form may also be used to document IDWR communications requesting information regarding any SRBA claim or claims when the request is not made in writing or the claim verification report is not readily available to document the request. This form is to be filed in all relevant claim files or a central office file.

IDWR Employee/Agent Frank Hitchcock

NAME:
DARYL SERR

RE:
36-02267, -07026, -10016,
-11850, AND -15236.

WALK-IN-2:15; CONCERNED ABOUT WHAT WE SENT HIM-TURNED OUT TO BE AN ADDRESS CHANGE DUE TO RURAL GRIDING CHANGE-OVER. CONCERNED ABOUT HIS 1968 PRIORITY LICENSE DUE TO SHUT-DOWNS IN THE FUTURE. "WHOEVER COMES OUT TO SHUT OFF MY WATER BETTER BE WELL-ARMED"-WE WENT OVER OUR MAILINGS TO HIM AND HE SAID THAT WHATEVER HE GETS FROM THE DEPARTMENT HE THROWS AWAY. EXPLAINED THAT ANY MAILING IN THE SRBA CASE IS IMPORTANT WHICH IS WHY WE ARE CONCENTRATING ON THE ADDRESSING CHANGES TO MAKE SURE THAT ALL CLAIMANTS GET PROPER AND TIMELY NOTICE.

I OFFERED TO LOOK UP HIS 1968 USAGE AND HE ASKED FOR HIS OTHER IRR CLAIM. I COPIED THE SHEETS FOR EACH FROM THE 36 REPORT, HIGHLIGHTED THEM AND REVIEWED THEM WITH HIM FIELD BY FIELD. I ASKED HIM TO SIGN THE ADDRESS CHANGE FORM AND I FILLED IN THE NEW DATA. I DIRECTED HIM TO THE COURT TO BEGIN THE SF3 PAPERWORK AND HE LEFT AFTER THANKING ME FOR TALKING WITH HIM.

FOLLOWED UP WITH TRISH WHO HAD TALKED TO HIM AND HIS WIFE ON THE PHONE PREVIOUSLY RE: THE ADDRESS CHANGE.

RE: Snake River Basin Adjudication (SRBA)
Lincoln County - #36-07026 & A36-15236

Dear Mr. Serr:

As we discussed in our recent telephone conversation, I am forwarding you a computer-generated amended claim #A36-07026 which reflects the additional 12 acres you wish to claim. Also the domestic water right is absent from this claim as we discussed. I have prepared a computer-generated domestic claim #A36-15236 for you to submit for your domestic right.

Please review these claims and if you agree with them, you may sign them both and have your signatures notarized. Please return them along with a check for \$37.00 (\$12.00 for the 12 additional acres and \$25.00 for the domestic claim) to this office to my attention within 15 days. If you have any questions or concerns with these claims, please call me at 800-451-4129 at this office.

Yours truly,

Burke H Scholer
Water Resource Agent

RE: Snake River Basin Adjudication (SRBA)
Lincoln County - A36-07026

Dear Mr. Serr:

I have recently taken over the responsibilities for Burke Scholer with whom you have previously been in contact regarding the above referenced claim. Unfortunately, Mr. Scholer was unable to complete the review of your claim prior to his departure and I am only now able to continue the review.

We inadvertently did not request necessary documentation from you when the paperwork was completed to amend this claim. You have apparently changed the location of the irrigated acres from the original licensed acres. We need to have some documentation regarding when this change occurred. I have enclosed a map showing the acres originally licensed and also noting the acres currently described as irrigated from your SRBA claim. The field exam for the license was done on June 26, 1973.

The type of documentation should be similar to the types of evidence described in the enclosed "Evidence of Priority" brochure. Specifically, the documentation can consist of affidavits from knowledgeable persons, such as neighbors or other third parties, who personally observed the change.

If the change in place of use occurred after November 19, 1987, a formal transfer should be filed with IDWR. If this is the case, I recommend that you plan a visit to our regional office in Twin Falls (222 Shoshone St. East, Twin Falls, ID 83302; telephone 736-3033) in order to complete the necessary paperwork.

If we do not receive the documentation describing the date of change, we will be unable to recommend the acres other than those reflected in the 1973 field exam (with the exception of acres no longer irrigated).

Please forward the documentation to my attention by April 10, 1992 in order for the review of your claims to be completed. If you have any questions or I can be of any assistance, please call me at 327-7935.

Sincerely,

Helen Harrington Thornton

MEMORANDUM

To: FILE A36-07026
From: Helen Harrington Thornton
Date: April 14, 1992
Subject: Basis for Recommendation

=====

Field exam by Burke Scholer found 291 acres irrigated, however with apparent unrecorded transfer for some acres.

License originally for 294 acres, 4.9 cfs.
Original claim was for 279 acres, 4.9 cfs.

Burke obtained an amended claim from Serr, but neglected to obtain date of when unrecorded transfer occurred. In March 1992, I sent a letter requesting this information from claimant, with no response.

Therefore, the transferred acres are not recommended, rather the acres found to irrigated and covered by the license are recommended, with the appropriate reduction in rate of flow:

Acres recommended: 279, 4.66 cfs

(original license for 4.9 cfs for 294 acres = .0167 cfs/acre
279 acres X .0167 cfs = 4.66 cfs total)

* Change in P/C confirmed with Nepp Photos
dated 7/13/87 AA77 SW
Allow 291 Acres. AD
