HALEY/YOUNG

Dear Mr. and Mrs. Young:

Pursuant to notification that you presently own the property in which the above referenced Adjudication Claims are appurtenant, I have changed the Department's record(s) of the current owner as you requested.

I have enclosed copies of the adjudication claims A36-02191, A36-07391, A36-07041 and A36-11340 and also profile reports of 36-02191, 36-07391, 36-07041, and 36-11340 which show how the rights have been recommended in the Director's Report. (The C owner code refers to the Current owner and the D refers to the owner at the time the Director's Report was issued.) I am sure you are aware that the Standard Form 3 must be returned to the SRBA court in order for the court to change their records.

If you are represented by an attorney and wish to have his or her name in the file, please return the enclosed Notice of Appearance Form. If you have any questions, feel free to call me at the office.

Sincerely,

Jeanie Robertson

INSTRUCTIONS FOR USE

This form is to be used to provide notice of a change in address of a party or to substitute a party whose water right was recommended in a director's report. *The filing of Standard Form 3 cannot result in a contested matter and a hearing will not be scheduled.* If completed as directed, the form will be accepted by the court and no further orders will issue. Standard Form 3 shall not operate to excuse compliance with the statutory requirements of I.C. § 42-1409(7) (1986) where a water right recommendation is not before the court.

This form has been adopted by the court in Re SRBA, Twin Falls County Case 39576, *SRBA Administrative Order 1 Rules of Procedure* (amended 6/21/93), Section 4Ac(3), which may be consulted for further information.

A party may copy or reproduce the standard form. The text of the form must be on the front and back of each page, exactly as it appears here. Follow the instructions on the form or it will not be accepted for filing. The Verification and the Certificate of Mailing must be completed.

THIS IS AN IMPORTANT LEGAL NOTICE CONCERNING YOUR WATER RIGHT CLAIMS IN THE SNAKE RIVER BASIN ADJUDICATION

IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT
OF THE STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

In Re SRBA)
) Case No. 39576
) NOTICE OF FILING AMENDED DIRECTOR'S
) FOR REPORTING AREAS 1, 2, AND 3
) (BASINS 34, 57 AND 36)

TO: ALL CLAIMANTS OF RIGHTS TO THE USE OF WATER IN REPORTING AREAS 1, 2 AND 3
(BASINS 34, 57 AND 36)

The Idaho Department of Water Resources has filed Amended Director's Reports for Reporting Areas 1, 2, and 3 (Basins 34, 57, and 36, also known as the test basins) with the SRBA District Court. One of the purposes of the Amended Reports is to conform the director's reports to the requirements of the adjudication statute, Title 42, chapter 14, Idaho Code, which was amended in 1994.

The Amended Reports amend the "preamble" to the director's reports, which include "general provisions." The general provisions apply to all water rights or certain classes of water rights, and are recommended to be included in the court's decree of water rights. The amendments significantly reduce the general provisions, and include some changes in the text of the remaining general provisions. The remainder of the preamble consists of explanatory material. The Amended Reports do not change the list of water rights in the report. IDWR will file amended reports at a later date that revise the list of water rights in the reports.

The SRBA District Court has entered an order granting the amendments to the Director's Report for Basin 57 in part. The order further provides that no additional objections to the remaining general provisions in the Basin 57 report will be allowed. The court has entered an order setting a hearing on the Amended Reports for Basins 34 and 36 on January 16, 1996, at 1:30 p.m., at the SRBA Courthouse. **The order provides that any party opposing the amendments to the report shall file with the court a notice and brief in opposition by 5:00 p.m. January 8, 1996;** any party wishing to file a response to the objections shall file their briefs prior to 5:00 p.m., January 15, 1996.

Some claimants have filed a motion asking the court to designate the general provisions as "Basin Wide Issue No. 5" for determination by the court. The court has entered an order designating the general provisions in Basin 57 as Basin Wide Issue No. 5. (One of the general provisions, concerning the Reynolds Creek Decree, was referred to the special master for Basin 57.) A hearing on the designation of general provisions in Basins 34 and 36 as part of Basin Wide Issue No. 5 will be held January 16, 1996, at 1:30 p.m. at the SRBA Courthouse.

The court's order also sets forth a schedule for the resolution of Basin Wide Issue No. 5. All parties to the SRBA who intend to participate must file with the SRBA District Court a notice of intent to participate by 5:00 p.m., January 5, 1996. The notice must state whether the party supports or opposes the inclusion of each general provision in the court's decree, and clearly and briefly explain their position. Briefs in support of the general provisions must be filed with the court by 5:00 p.m., January 26, 1996. Briefs in opposition to general provisions must be filed with the court by 5:00 p.m., February 9, 1996. Responsive briefs must be filed with the court by 5:00 p.m., February 16, 1996. A pretrial conference will be held at 9:00 a.m. on February 20, 1996, and hearing will be held at 9:00 a.m. on March 12, 1996, at the SRBA Courthouse.

A copy of each amended report is available for inspection at the locations listed on this notice. Copies of all or a portion of the amended reports and/or the court's orders are available from the offices of IDWR listed on this notice, subject to payment of costs of mailing and/or copying.

If you have questions about the SRBA, please call any office of IDWR listed in this notice; if you have questions concerning your rights and responsibilities as a claimant in the SRBA, please consult your attorney.

RE: Confirmation of Response to Notice of Error and Change of Address
for Acequia Inc. & Estate of Rosemary Haley SRBA Claims.

Dear Mr. Speck:

This letter is intended to confirm my responses to your Notices of Error discussed in our October 7th meeting with Miles Clinton at my office.

Regarding your general concern about the season of use, the proposed recommendations are based on irrigation season of use standards adopted by the director for the various regions throughout the state. These standards are based on the period of the year in which there is less than a 75% chance of a 24 degree F. frost. Additionally, since there are some years in which water can be beneficially used for irrigation outside the irrigation season, the proposed Director's Report includes a general provision which provides for a conditioned irrigation use outside the general irrigation season.

Regarding your general concern about the language in the recommendations which talks about "right includes a change in point of diversion", the Department includes such language in rights where the proposed legal description for the point of diversion is different than the legal description of the base water right. This situation may exist if there has been a physical change in the point of diversion or if it has been determined that the base water right location was incorrect even if there has been no physical change in the point of diversion.

Regarding your concerns about disallowal of several of the rights, these rights were recommended for disallow because generally it was determined by field examination and information gathered from the ASCS that there was a period of 5 years of non-use for these rights or that the acres claimed irrigated consisted of lava out crops that have never been farmed.

I confirm that based on your change of ownership letter and the power of attorney documents submitted we have changed the address of Acequia Inc. and have added you as attorney for all claims in the name of Acequia Inc. Additionally we have changed the name of the Rosemary Haley claims to that of the Estate of Rosemary Haley and have changed

the address to that of Acequia Inc. and have also added you as attorney for all claims in the name of Rosemary Haley.

Re: Acequia, Inc. - Estate of Rosemary Haley

Dear Dave:

Enclosed you will find Notices of Error for certain water rights claimed by Acequia, Inc. and the Estate of Rosemary Haley in the Snake River Basin Adjudication. I have also enclosed copies of the Special Powers of Attorney whereby Acequia, Inc. and the Estate of Rosemary Haley have designated me their attorney-in-fact to act in these matters. Please note that the address used by Acequia, Inc. in filing its claims should no longer be used. Instead, the corporation's new address is designated on the Notices of Error (P.O. Box 1678, Ketchum, Idaho 83340).

The period of use for all of my client's irrigation water rights has been changed from the traditional period of March 15 through November 15 to April 1 through October 31. Is this same change being made for every irrigation right in Basin 36? If so, why?

As I mentioned, Ms. Haley passed away in February, 1992 and her records are somewhat in a state of disarray. I have not yet been able to locate her copies of the claims filed in the Adjudication nor any notes or records on the claims based upon beneficial use. I know she worked closely with Gary Funderberg in the Southern Region on many of the water rights matters for Acequia, Inc. I would like to arrange a meeting with an appropriate representative of the Department to discuss the Notices of Error and hopefully resolve many of the questions before the Department must file the Basin 36 Report - I understand this deadline to be November 1, 1992.

REASONS SUPPORTING EACH BOX CHECKED

In response to Statement of the Objection items 3, 3a., 9, 9a., and 10 and all allegations of the objection regarding these items, IDWR responds as follows:

IDWR lacks sufficient information to form a belief as to whether any or all of the lands upon which water is used pursuant to this right are owned by the United States. IDWR further lacks sufficient information to form a belief as to whether the claimant's use of any lands owned by the United States is the

subject of an agreement between the United States and the claimant. IDWR admits that if the place of use is reduced by the court, the quantity of water allocated to this water right should likewise be reduced. IDWR denies the objection and all allegations of the objection not expressly admitted herein.

REASONS SUPPORTING EACH BOX CHECKED

In the space following, you must state the reason(s) by number for each box checked. You may use additional pages if necessary.

Box 9 and Box 9a were checked because the Place of Use includes federal land. The claimant has no valid authorization for this claimed use of the federal property. Boxes 3, 3a, and Box 10 were checked because the quantity of water is overstated to the extent the water would be improperly used on federally owned land.

CHANGES TO THE DIRECTOR'S REPORT

Specifically describe how you want the Director's Report to be changed. You may use additional pages if necessary.

The Directors report should be changed to recommend disallowance of this claim in part. The Place(s) of Use, described as, T07S R24E S04 Lot 3 (NE NW) 5.0, Lot 4 (NW NW) 5.0, should be deleted.

Please note: You should attach copies of documents which support your objection. Note on each document the "box number" it supports.

RE: Confirmation of Response to Notice of Error and Change of Address
for Acequia Inc. & Estate of Rosemary Haley SRBA Claims.

Dear Mr. Speck:

This letter is intended to confirm my responses to your Notices of Error discussed in our October 7th meeting with Miles Clinton at my office.

Regarding your general concern about the season of use, the proposed recommendations are based on irrigation season of use standards adopted by the director for the various regions throughout the state. These standards are based on the period of the year in which there is less than a 75% chance of a 24 degree F. frost. Additionally, since there are some years in which water can be beneficially used for irrigation outside the irrigation season, the proposed Director's Report includes a general provision which provides for a conditioned irrigation use outside the general irrigation season.

Regarding your general concern about the language in the recommendations which talks about "right includes a change in point of diversion", the Department includes such language in rights where the proposed legal description for the point of diversion is different than the legal description of the base water right. This situation may exist if there has been a physical change in the point of diversion or if it has been determined that the base water right location was incorrect even if there has been no physical change in the point of diversion.

Regarding your concerns about disallowal of several of the rights, these rights were recommended for disallow because generally it was determined by field examination and information gathered from the ASCS that there was a period of 5 years of non-use for these rights or that the acres claimed irrigated consisted of lava out crops that have never been farmed.

I confirm that based on your change of ownership letter and the power of attorney documents submitted we have changed the address of Acequia Inc. and have added you as attorney for all claims in the name of Acequia Inc. Additionally we have changed the name of the Rosemary Haley claims to that of the Estate of Rosemary Haley and have changed

the address to that of Acequia Inc. and have also added you as attorney for all claims in the name of Rosemary Haley.
