6. **If the change in ownership affects the entire water right for each water right or adjudication claim number listed in item 1, THEN SKIP THIS ITEM AND GO TO ITEM 7.** If the change in ownership divides the water right(s) among multiple owners, you must describe, in detail, your portion of each water right after the change. Fill in the appropriate spaces in the box(es) below to describe your water right(s) after the change (one water right per box, you may copy this page as necessary). If your quantity of water is greater than a proportionate split, you must attach documentation to show justification for a larger amount. If you are not sure how to identify your portion of the original water right or adjudication claim records, please contact the nearest IDWR office for assistance.

RE: Change in Water Right Ownership
Water Right #67-14606 and #67-14577

Dear Sally:

Enclosed is a Change in Water Right Ownership form for the above referenced water right numbers. Darrel and Donna Krause were the former owners - I believe these are the last two changes on their property. There are two separate transactions: one for the Harmon's on Lot 10, and one for the Mattern's on Lot 13. I have enclosed copies of the recorded Warranty Deeds and respective plat maps for each transaction.

If there should be a fee for either of these changes, please notify Darrel Krause. According to the sale and purchase agreements, he has agreed to pay for any fees.

Thank you for your assistance with these.

Yours truly,

Paula Thomsen
