If your quantity of water is greater than a proportionate split, you must attach documentation to show justification for a larger amount. RE: Snake River Basin Adjudication (SRBA)
Notice of Claim to a Water Right #67-14607

Dear Claimants:

As a result of buying a portion of the property and water right from Darrel and Donna Krause, the identification number to your water right has been changed as follows:

From
67-2202

To
67-14607

Please use the new number in future inquiries or correspondence you may have with our Department. Enclosed is a copy of your water right. Please retain this copy for your file.

I am also returning the two ownership change forms you signed. Item #4 has "and" between your names as the name connector, yet only James Phillips signed at Item #7. Please either have Linda and Mary Jane sign at Item #7 or add "/or" between each name at Item #4. Please return the original forms to me in the enclosed postage-paid envelope.

If your mail delivery address changes in any form, please contact us in writing so we can update our records to assure you receive important notices concerning your claim.

Thank you for your patience and cooperation. We have had several water right changes to process. Please call me at 1/800-451-4129 if you have any questions or concerns.

Sincerely,

Sally Sherman
