1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

priority date

2. Describe the changes you wish to make in the proposed recommendation:

Wish to use letter and affidavit sent in by David Gossard on properties and claims # 67-14635 and 67-14634

3. Give a brief explanation as to why you disagree with these portions:

This was all part of the same property owned by the same owner and delivered by the same ditch system.

☐ I AGREE with this proposed recommendation: no changes need to be made.

Re: Evidence of Priority Date

Dear Claimant:

The Notice of Claim to a Water Right (claim) identified with the number shown above your name has been filed in the Snake River Basin Adjudication (SRBA). The claim indicates your water usage is based on "Beneficial Use" or a "Statutory Claim." Water rights of this type are established by the historic use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed. **Proof must be provided by the claimant supporting the priority date claimed and the historic use of the water.**

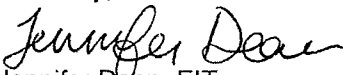

Enclosed you will find a computer printout of your claim and the pamphlet entitled "Evidence of Priority." The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement. If you choose to submit statements from individuals as evidence, the statement should be in the form of a notarized affidavit. A form is provided for your convenience.

This claim overlaps a claim for decreed water on a portion of your property. Evidence of priority is needed for the acres and water that are in addition to the decreed right. **PLEASE NOTE:** If no evidence is submitted, IDWR will recommend the SRBA Court decree this claim be limited to the acres covered by decreed water. It will be to your advantage to provide clear and convincing evidence.

Please submit the required evidence supporting the priority date and the historic use by the date shown above, referencing all documents with the corresponding claim number. Send the documents in the enclosed envelope to assure it arrives at the correct location. If you have questions not covered by this letter or the enclosed pamphlet, please contact this office. If you wish to call, our toll free number is 1-800-451-4129.

If you no longer own the property to which the claim is appurtenant, please forward this correspondence to the present owner, or return it to Idaho Department of Water Resources (IDWR). If you have received this correspondence from the previous owner of the property, it is recommended that you file a Change of Ownership form with IDWR in order to receive future mailings and to participate in the Adjudication.

Sincerely,

Jennifer Dean, EIT
