RE: Snake River Basin Adjudication (SRBA)

Dear Claimant:

We have had no response to our letter of December 22, 2005, requesting fees on your Notice of Claim to a Water Right #67-14674. Therefore, we are returning the claim to you.

You may reinstate your claim by promptly returning the claim to us with the fee of \$55.00 (\$50.00 filing fee and \$5.00 acreage fee). Failing to file this claim results in losing your water rights.

IDWR will submit a report of only claimed water rights not later than June 30, 2006. The report will not include the water right on this returned claim unless you return it soon with the fee payment of \$55.00. If you reinstate this claim after that date, you will be required to file a Motion to the SRBA District Court for filing late claims with associated fees of \$55.00 for your claim fees and plus a \$50.00 late fee (\$105.00).

Please call me at 208/287-4885 if you have any questions or concerns.

Sincerely,

Daniel L. Narsavage

Subject: RE: hoopes stuff

Hey Gary,

Well I wanted to dive into the info you sent before I got back to you.

First of all, we didn't get the change of ownership processed before all the recommendations were sent to the court. That is why the Bumgarners got the mailing. So now in order to change the ownership from Bumgarners to yourself we have to go through the court. This isn't a big deal and doesn't require any additional work or fees on your part, just means we (IDWR) have more paperwork to send.

So as I was going through the stuff you sent me this morning so I can approve a change, I ran into some questions. You requested to change the name on rights 67-14674 and 67-14578.

First of all, everything looks in order to change 67-14674 so I don't have any questions about that.

But 67-14578 appears to be in a totally different location than where your deeds say you bought property. I have attached two JPGs. "Hoopes(1)" shows where the deeds you submitted showed property. "Hoopes(2)" shows the property for water right 67-14674.

So I wanted to make sure that the properties shown on Hoopes(1) are the properties you were talking about. Because if they are, then the water right we need to change is 67-14670 and not 67-14578.

If the property shown in "Hoopes(2)" is in fact the property you purchased and you did want ownership changed on 67-14578, then I don't have the right deed. You will need to submit the deed applicable to 67-14578.

Take a look and let me know what you think. I can use your reply to this e-mail to change ownership on 67-14670 instead of 67-14578 if that is what is correct.

Take it easy,

Craig
