RE: Idaho Water Rights 67-00439 and 67-00440

To Whom It May Concern:

I, Alice M. Barker, with my late husband, Richard H. Barker, lived at 926 Grays Creek Road, Indian Valley, Idaho (legal description attached as Exhibit A) from 1961 until 1993. We were actively involved in farming and ranching during those years. Our farming and ranching operation depended upon the irrigation water we received from the Little Weiser River and C. Ben Ross Reservoir (Little Weiser River Irrigation District Water Right #67-02385). The combined water rights were used to irrigate 152 acres of the property described in Exhibit A.

The land that was irrigated from 3-15 to 11-15 each year is legally described in the 67-00439 water right attached as Exhibit B. Water right #67-00439 was augmented by Water right #67-00440 (Exhibit C) which benefits a portion of the same land as legally described in Exhibit B.

I do solemnly swear that the statements contained in the forgoing statement are true and correct.

Signed: Alice M. Barker
