MOTION TO FILE A LATE NOTICE OF CLAIM

A Motion to File a Late Notice of Claim will require a hearing before the Presiding Judge.

☒ I did not file a Notice of claim to the use of water in the SRBA because:

Wallach IX purchased the subject property on September 20, 2007 and did not

to identify an appropriate priority date. This due diligence was only recently concluded.

☒ I am providing legal and factual documentation for my claimed use of water. You must describe these documents and attach a readable copy. (You do not need to fill this out if you are reinstating a Notice of Claim for domestic or stock watering use, but you **must** attach a copy of your Notice of Claim.)

My name is Tom Grossen and I am a resident of Adams County, Idaho. This letter is provide information regarding historical use of stockwater springs on property located in Adams County, Idaho, currently owned by Wallach IX, LLC, a property formerly known as the "Bankhead" property, whose address is 1059 W. Indian Valley Road.

I was born in 1944 and raised in Indian Valley on an adjacent property located at 1010 Highway 95, Indian Valley; and have resided in the vicinity of this property throughout my life. I currently reside at 2245 Ogle Lane, Indian Valley, about a half mile east of the property.

I have observed cattle on the property throughout my life and while it's likely that the springs have been used by cattle since the early homesteaders in the late 1800's, I've observed cattle using these springs since I was 14 years old. That would be 1958.
