RE: A36-07128

Dear Mr. and Mrs. Hanchett,

In reviewing your adjudication claim for your irrigation well, I determined that you claimed 35 acres more land than your license covered. These additional acres can be covered by filing an expansion claim to cover them with the priority date of the time when they were first irrigated (between 1970 and Nov. 19, 1987). If this date is after Nov. 19, 1987, a permit must be filed. The priority date you claim must be supported by "Evidence of Priority" as described in the enclosed pamphlet. The cost of the expansion claim will be \$50.00.

I have tried to reach you by phone for about two weeks but you must be away on a trip. We are finishing the adjudication records in your area, so I must ask you to submit this expansion claim by March 6, 1992. If we do not hear from you by then, your claim will be recommended "as licensed" (for 104 acres) and you may apply for a permit to obtain a license for the additional 35 acres. The priority date of such a license will be established by the day we receive the application for the permit. I have included forms and instructions so that you may cover these acres by either approach. The legal description of the lands of "place of use" are as follows:

T9S,	R22E,	Sec 1,	NWSW	16 acres
T9S,	R22E,	Sec 12,	NWNE	13 acres
T9S,	R22E,	Sec 12,	NENW	6 acres
Total				35 acres

Please contact me if I can assist you further.

Respectfully,

Robert V. Worstell
