Dear Mrs. VanderVegt:

I discussed your two commercial dairy wells with my supervisor, Allan Merritt, and he said that since you are currently using the wells for your dairy, it's good that you filed claims on those wells for adjudication. However, you do have the opportunity to withdraw these claims. Any water right developed from a groundwater source after 1963, for any use other than single family domestic use, is required to have an application for permit filed.

Since you are using the wells, you have followed the correct procedures by filing an adjudication claim on both wells. We suggest that you not withdraw your claims and that you just file the necessary applications on the two wells.

I have enclosed the applications, with instructions for your use in this matter. If you have any questions please contact us.

Sincerely yours,

Lori A. White
