#12 In 1965 my parents Lewis & Ropie O. Rice sold a piece of property to Everett & Betty Rauch. A well had been drilled prior to this sale. My parents retained $\frac{1}{3}$ of the water rights to this well. On 11-15-65 the Rauchs deeded to my parents the $\frac{1}{3}$ water rights. This is recorded in Idaho County at Grangerville in Book #104 - Page #7 Instrument No. 221736. My parents have since passed away and I have sold the house to Jeff & Sonya Pallen. In the deed they retain the $\frac{1}{3}$ of water rights (see copy attached) I carry the escrow agreement so I'm filing the water rights claim.

#13 The water rights on this well are owned by three parties - Everett & Betty Rauch $\frac{1}{3}$ - Marge Hinman $\frac{1}{3}$ and myself Ropie Edmonson $\frac{1}{3}$.

#15 I have no idea if anything was ever filed with the FOWR. So I don't know which Basis of Claim to check.

RE: Domestic and/or Stockwater Rights in Reporting Area 22, Basin 85
Snake River Basin Adjudication (SRBA)

Dear Water Right Claimant(s):

Please find enclosed the Idaho Department of Water Resources recommendations for your domestic and/or stockwater water right(s) in basin 85 (part of the Clearwater River drainage area). We have also enclosed instructions for reviewing (1) your recommended water right(s), and (2) other recommended domestic and stockwater right(s) in your area. Water rights for irrigation and other purposes in basin 85 will be recommended in a later process.

Note that you have 180 days in which to file any objection to our recommendation and to review the domestic and stockwater water rights of other claimants, including those of the United States. Information on the other water rights can be found at the county courthouses in Grangeville, Lewiston, Nezperce, Orofino, Moscow, Wallace, and all of the Idaho Department of Water Resources offices (see addresses in enclosure).

If the Court does not receive an objection from you about our recommendation, and no other party objects to your water right, your water right will be decreed as recommended after the 180-day objection period. You will receive your decree from the SRBA Court.

Completion of the SRBA is important for the future of water management in Idaho. We invite you to contact our regional offices with any questions that you have about your water right(s) or this adjudication process.

Sincerely,

Karl J. Dreher
Director
