SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-10721, New Claim

RESPONSE DEADLINE:
MARCH 1, 2021

Dear Mr. Chandler,

In regards to our phone conversation on 1/29/2021, enclosed is your Amended Notice of Claim to a Water Right and New Claim. Below are comments on what is amended on the claim. Everything on the Amended Claim is the same as the original claim except these highlighted sections:

- # 3, Source: Changed the source as surface runoff tributary to sinks because the pond collects snow melt, which is classified as surface runoff.
- #5, Description: Described it as one pond since we are separating the ponds on this claim.
- #6, Use: Added stockwater storage for year round use. 1.6 A.F.A volume calculated by the pond depth. Also changed stockwater use from 5/1 – 10/31 to year round use.
- #7, Total Quantity: Added the 1.6 A.F.A.

I also sent a new claim form for the pond that is in the tree line. Everything is the same as the Amended Notice of Claim, except the legal description correctly identifies the legal description for this pond. The .8 volume was also calculated by the pond depth you provided over the phone.

Below are further instructions required from you:

- **Blue Arrows, Signature:** Both you and/or Janet Chandler sign and date both documents.
- **Claim Fee:** Provide a \$25.00 check payable to IDWR for the new claim.

Review the claims for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it. I will send you a copy of your original Notice of Claim for reference.

Please mail the completed Amended Notice of Claim, New Claim and fee back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
