Re: Theodore C. Thompson and Affiliated Entities Notice of Claim

Dear Evan Roda and Linda Werner:

Enclosed please find four revised *Notices of Claim to a Water Right* submitted on behalf of Theodore Thompson. The changes made are based on our conversation with Evan Roda in 2020 and the letter received from Linda Werner dated December 28, 2020. The changes include:

IDWR Claim #87-11901

1. Change to evidence of priority
 - a. Included in this claim revision is a page from the county assessor which states that there were buildings on the property as early as 1952.
2. A map is attached to the claim showing the well and point of use.
3. Usage was edited to 2500 gallons per day.

IDWR Claim #87-11896 & #87-11897

1. These two claims were amended to show, the two wells which serve the same home, both claims on the same claim. Both claim numbers assigned by IDWR are listed.

IDWR Claim #87-11893

1. There is a cabin on the property that is used for outdoor recreation purposes.
 - a. The County Tax information is attached with the improvements highlighted showing the homesite and shed.
 - b. Maps included to show where the buildings is located.
2. There was a typo in the point of diversion. It was listed as the (SWNE) but was corrected to show (SESW); although it is closer to the southern middle of the SW corner.
3. For evidence of priority, the current owner, Theodore Thompson remembers going to the cabin when he was a young child which is why the date of 1955 was chosen. A signed Affidavit from Mr. Thompson is included stating the facts as known to

him. Our office found the attached article about Eugene Thompson purchasing the mountain property and cabin around that time and has included that as well.

IDWR Claim #87-11891

1. Map included to show the location where the well is located as well as the point of use.
2. Changed application from industrial use to the Part B Domestic as per your recommendation for normal shop usage.
3. Supporting documentation from the Latah County Assessor to show the year of the second building, 1965, which is when the well was drilled.

We can see that the other claims submitted for Mr. Thompson, #87-11892, #87-11895, #87-11898 and #87-11900, were recommended. Thank you for your assistance with those claims.

Please feel free to contact me with any questions or concerns.

Respectfully,
