Dear Claimant(s):

In the past you submitted the claim(s) identified with the number(s) shown above your name and address at the top of this letter. You indicated on the claim(s) that the basis for establishing the water right(s) was Beneficial Use, meaning the water right was not previously confirmed by a decree, water right license or permit before you filed the claim(s).

The purpose of this letter is to request evidence supporting the priority date(s) you have claimed. The enclosed pamphlet describes what this means. While I encourage you to read all of the pamphlet, I direct your attention to the right-hand half of the pamphlet after you open it. There you will find two sections: What Kind of Evidence is Required, and Some Examples of Documents which May Be Evidence of the Priority Date. These sections tell you what must be submitted. The other sections tell you why the evidence is necessary and what the consequences of not submitting the evidence could be.

Please submit the requested evidence by November 1, 1990. When returning to the Department please reference all documents with the claim(s) identification number(s) listed above.

If you have questions not addressed by the pamphlet or need other technical assistance, please feel free to contact this office. For advice on your water right(s), please contact your attorney.

Sincerely,

Allen Merritt, P.E.

DON SUCHAN, being first duly sworn on oath, deposes and says:

That I reside at Route # 2, Paul, Minidoka County, Idaho, my residence being at about 1050 West 600 North of Rupert, Idaho. My place of residence is immediately North of Section 28, Township 8 South, Range 22 East, Boise Meridian, Minidoka County, Idaho.

I am making this Affidavit based upon my personal knowledge of the facts herein stated.

In 1963 I farmed lands immediately North of said Section 28 above described and which Section is situated immediately West of Section 27 in said Township and Range. I was also personally acquainted with George B. Brandon, now deceased, but who was in 1963 the owner of the real property described as being the North Half of said Section 28 in said Township and Range.

During 1963 the said George B. Brandon drilled a well in the North Half of said Section 28 and during the farming season of 1963 irrigated said North Half of said Section 28 and also had a pipeline from the well in said Section 28 East to the West boundary of Section 27 in said Township and Range and continuing into said Section 27 a distance of one-quarter mile. This irrigation pipeline was used in 1963 to provide irrigation water to the following described real property owned by George B. and Fern Brandon, husband and wife, in 1963, said property being described as follows:

NW $\frac{1}{4}$ NW $\frac{1}{4}$ and SW $\frac{1}{4}$ NW $\frac{1}{4}$ in Section 27, Township 8 South, Range 22 East, Boise Meridian, Minidoka County, Idaho.

That the said real property last above described in this Affidavit was farmed and has been farmed continuously since 1963. That the source of irrigation water for said real property last above described was from the well located in Section 28 in said Township and Range until the North Half of said Section 28 was sold by the then owner of said real property, Mac J. Brandon, and his wife, to James Schaeffer and his wife. At the time of said sale of the N $\frac{1}{2}$ of Section 28 in 1977 to Mr. and Mrs. Schaeffer, the real property described above and bearing Idaho Department of Water Resources Identification Number A36-11328 was thereafter irrigated from wells situated in Section 27 in said Township and Range by the owner of said real property in Section 27, Mac J. Brandon and his wife. The original source of water from the well in said Section 28 was terminated.

I am personally acquainted with all parties named herein and all facts set forth in this Affidavit having observed the same from my place of residence and from my farm lands in the

immediate vicinity of said real property to which this Affidavit is directed.

RT 2 BOX 2470
PAUL, ID 83347

RECEIVED

SEP - 7 2001

Department of Water Resources

Dear Water Right Claimant(s):

The reverse side of this letter contains a copy of an *Order Amending Irrigation Period of Use Element in Partial Decree and Incorporating into Partial Decree An Express Statment Regarding General Provisions, Nunc Pro Tunc* (hereinafter "*Order*") for water right number 36-11328. According to Idaho Department of Water Resources (IDWR) records, you are the current owner of this water right. If you are not the current owner, please contact IDWR immediately at:

Idaho Department of Water Resources
1301 North Orchard
Boise, ID 83706
800-451-4129

The Purpose of the *Order* is to set forth beginning and ending dates for the irrigation period of use for this water right. As stated in the face of the *Order*, this action was necessary following the decision of the Idaho Supreme Court in *A&B Irrigation Dist. v. Idaho Conservation League*, 131 Idaho 411, 423, 958 P.2d 568, 580 (1998). This *Order* also incorporates into the *Partial Decree* an express statement that the *Partial Decree* is subject to such general provisions necessary for the definition or for the efficient administration of the water right. This express statement is necessary to comply with the requirements of Idaho Code section 42-1412(6). This *Order* in combination with the *Partial Decree* that was issued for this water right on January 15, 1998, sets forth all of the elements of your water right. The Snake River Basin Adjudication (SRBA) Court suggests that you keep this document in a safe location together with a copy of the *Partial Decree* to show evidence of the water right. The original of this *Order* and the original of the *Partial Decree* for this water right are on file with SRBA Court. If you do not have a copy of the original *Partial Decree*, one can be obtained by contacting the SRBA Court at (208) 736-3011. Please note that the *Order* is entered *Nunc Pro Tunc*, meaning that the *Order* will be treated as if it were issued the same date that the *Partial Decree* was originally issued.

Sincerely,

Water Right 36-11328

ORDER AMENDING IRRIGATION PERIOD OF USE ELEMENT
IN PARTIAL DECREE AND INCORPORATING INTO PARTIAL
DECREE AN EXPRESS STATEMENT REGARDING GENERAL
PROVISIONS, *NUNC PRO TUNC*

A *Partial Decree* was entered for the above-captioned irrigation water right on January 15, 1998. The period of use element was decreed as "irrigation season." In *A&B Irrigation Dist. v. Idaho Conservation League*, 131 Idaho 411, 423, 958 P.2d 568, 580 (1998), the Idaho Supreme Court remanded with the directive to include specific dates for the period of use element. Following remand, IDWR filed a *Supplemental Director's Report, Reporting Area 3, IDWR Basin 36, Regarding Revision of Period of use (For Irrigation Water Uses) and Conjunctive Management General Provisions*, which included an irrigation period of use recommendation for this water right. No objections were filed to this recommendation and the time period for filing objections has now expired.

THEREFORE, IT IS ORDERED that the period of use for the irrigation element of the above-captioned water right is hereby amended and decreed as:

PERIOD OF USE: 03-15 11-15

IT IS FURTHER ORDERED that the *Partial Decree* for the above-captioned water right is hereby amended and decreed to contain the following:

This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the court at a point in time no later than the entry of a final unified decree. I.C. section 42-1412(6).

This order is being entered *nunc pro tunc* as of the date the *Partial Decree* was issued and is not intended to modify any subsequent administrative changes for the water right, if any, which occurred following entry of the *Partial Decree*.

RULE 54(b) CERTIFICATE

With respect to the issues determined by the above judgment or order, it is hereby CERTIFIED, in accordance with Rule 54(b), I.R.C.P., that the court has determined that there is no just reason for delay of the entry of a final judgment and that the court has and does hereby direct that the above judgment or order shall be a final judgment upon which execution may issue and an appeal may be taken as provided by the Idaho Appellate Rules.

SUBJECT: When extra 12nd
added to system was
H.P. Increased?
DATE: 8/5/92

After Lynn questioned capacity of system I phoned
Mr. Brandon and asked if the pumps were
still 200 & 700 H.P. He indicated that they
were. He said he just added the extra screws
without increase in H.P. of the pumps.
