RE: PotlatchDeltic Forest Holdings, Palouse River Basin Adjudication (PRBA) Notice of Claim to a Water Right Numbers 87-11785 Through 87-11791

Dear Mr. Baser or Mr. Lawrence:

We're in the process of reviewing the above claims for recommendation in the PRBA. During this review several items came to our attention for which we need clarification. They are as follows:

Claim Nos. 87-11785 – 87-11791

The aerial photos submitted with these claims are dark and it's hard to tell the source, diversion and/or place of use locations; particularly the places of use south of the diversion point(s). Please provide a clearer aerial photo detailing this information.

87-11789 Bluejacket Creek

Please clarify the diversion location as it appears to be in the SENW-Section 28, T42N R2W rather than the SWNE, as claimed.

87-11791

It appears that the diversion point may be listed incorrectly. Should it be NWNW-Section 25, T42N R02W rather than R01W? If so, please provide an amended claim.

Ownership

Some parcels listed under place of use appear to be under different ownership. For these parcels, we'll be contacting the listed owner for change of ownership information.

Please return this information, to my attention, as soon as possible by **February 26, 2021**. Be sure to contact me if you have any questions. I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
