Dear Claimant(s):

In the past you submitted the claim(s) identified with the number(s) shown above your name and address at the top of this letter. You indicated on the claim(s) that the basis for establishing the water right(s) was Beneficial Use, meaning the water right was not previously confirmed by a decree, water right license or permit before you filed the claim(s).

The purpose of this letter is to request evidence supporting the priority date(s) you have claimed. The enclosed pamphlet describes what this means. While I encourage you to read all of the pamphlet, I direct your attention to the right-hand half of the pamphlet after you open it. There you will find two sections: What Kind of Evidence is Required, and Some Examples of Documents which May Be Evidence of the Priority Date. These sections tell you what must be submitted. The other sections tell you why the evidence is necessary and what the consequences of not submitting the evidence could be.

Please submit the requested evidence by November 1, 1990. When returning to the Department please reference all documents with the claim(s) identification number(s) listed above.

If you have questions not addressed by the pamphlet or need other technical assistance, please feel free to contact this office. For advice on your water right(s), please contact your attorney.

Sincerely,

Allen Merritt, P.E.
Water Rights Supervisor

To Department of Idaho Water Resources:

We have been neighbors to Norman and Joan Ashby since
they bought their property and built a home in 1961.
They put their wells down during that year because they
had no access to canal water.

To Dept. of Idaho Water Resources:

In regards to your letter about our water right claim A36-11523.
We bought our property in December 1960 and built our home
in the spring of 1961. We put our wells in at this time.
We installed them ourselves. We have no receipts back
that far for pumps or well parts.
We did find receipts from Rural Electric dated February 1, 1961.
We refinanced our mortgage in 1963. We can't find our original
mortgage papers with Idaho Savings and Loan in 1961. We are
sending a copy of these papers to you.
