RESPONSE DEADLINE:

SUBJECT: Palouse River Basin Adjudication Claim (PRBA) Nos. 87-4042, 4043, 7004

Dear claimant,

The Idaho Department of Water Resources (IDWR) is reviewing water right claims filed in the Palouse River Basin Adjudication. During my review of your claims, there are multiple issues that need addressed. I tried multiple failed attempts at reaching you by phone and by email.

Attached is an email chain between Brennan Pollock and myself. Please read the first page of the email chain which I sent to Brennan Pollock on January 5, 2021. This page contains all of the information about what the Department needs to complete its recommendations of your water right claims.

We are nearing deadlines in the adjudication to get preliminary recommendations completed. Please provide the necessary documents and fees as soon as possible. These can be mailed to 7600 N. Mineral Dr. Suite 100, Coeur d'Alene, ID 83815.

If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,
