Hi Dawn,

Thanks. Yes, please remove both attorneys. All correspondence can come directly to us at the address you listed.

Hi Megan,

A Notice of Appearance (NOA) only applies to attorneys so I am not able to list you as the NOA. Usually if a company or private party has an NOA, all correspondence from us goes through said attorney. If you do not wish to have an attorney listed as your NOA, I will remove both Mr. Lawrence and Mr. Baser and only have Heritage Land & Livestock LLC as the owner and all correspondence will go directly to them at PO Box 173 Deary ID 83823 as they have listed on the Change in Water Right Ownership.

So, do you still wish to remove one or both attorneys?

Hi Dawn,

We would prefer not to list an attorney. Notice of Appearance can be directed to us, at PO Box 554 Potlatch ID 83855, (559) 907-8729.

Thanks,

Good morning Ben and Megan!

It looks as though on the original claim filed by PotlatchDeltic, it lists both Mr. Lawrence and Mr. Baser as the Notice of Appearance. I am just trying to make sure we have the correct information on the new ownership.

Megan, could you shed some light on this? Do we need to keep Charlie S. Baser as the NOA? Perhaps they work in the same law firm?

Thank you!

Dawn

Dawn,

I am not sure who Mr. Baser is. Can you tell me where his name comes up? Maybe this is someone that Megan has been using?

Thank you Ben. Do you want me to remove Mr. Baser?

Dawn,

Michael Lawrence is the attorney that we've used for our water rights matters, and is the attorney that drafted the assignment for us.

Ben and Megan,

Thank you for getting this pushed through. My only question is, does Heritage Land & Livestock LLC have the same attorneys as PotlatchDeltic? We currently have Michael P. Lawrence and Charlie S. Baser listed as the Notice of Appearance attorneys.

Dawn,

Attached, please find a scan of the recorded Assignment of Adjudication Claim No 87-11784 for Heritage Land & Livestock. I will be placing the original recorded document in the mail to Megan. Please let me know if there is anything else that PotlatchDeltic needs to do in regards to this matter.

Thanks,
