building, erected at the corner of 8th and E. Street, served as a spiritual facility on the Lord's Day and school space on week days.

About this time D.B. Titus, a minister from Nebraska, while reading the Christian Standard, took note of this growing body's need for a minister and shortly thereafter brought his family, his enthusiasm and leadership into service here.

The church was served by a number of ministers from 1906 through 1927 at which time building improvements were accomplished. In 1956, during the ministry of Rex Lawson, the church celebrated its 50th Anniversary. At this time the membership numbered between 275 and 300 people.

On June 14, 1959, six acres of ground located on West 8th Street was purchased at public auction from the W.E. Hunter estate to become the site for the proposed new home for the Christian Church. (At this time a memorial, given to the church by the Hunter family, was set aside to aid in the building project.) A study committee composed of Hurley Teeter, Mrs. Roy Cunningham, Loy VanEvery and Lloyd Knodel were charged with the responsibility of construction research and on May 13, 1962 excavation began. Lloyd Knodel served as chairman of the building committee with Rose Bishop as Secretary-Treasurer. Committee members were Loy VanEvery, Hasel Trantham, Dick Reynolds, Lee Stewart, Don Kester, Lois Nichols, Verna Dean and Charlotte Manning. C. Paul Moore served as pastor in this period of time.

The new building, then valued at \$250,000, was dedicated on July 7, 1963. It measures 24,000 square feet of floor space and facilitates a 600 seating capacity in the sanctuary, approximately 20 classrooms; 2 special meeting rooms, a prayer room, library, 3 offices, kitchen and utility space, as well as a combination gymnasium-fellowship hall. The old church

CHURCH HISTORY CONTINUED

bell, symbolic of the past, which was erected on the new church grounds, still calls our people to worship.

At this time membership numbers between 400 and 450 people. In addition to faithful giving as the Lord has blessed his people, many projects such as the annual Harvest Dinner and Country Store went into fulfilling monetary building obligations and on May 22 1977 the church then under the ministry of Rex Jones, held a mortgage burning ceremony.

As the years have unfolded, a broader framework for Christian growth and service has evolved with the additional formation of various supportive organizations and groups. The church body maintains ties with a number of other fellowships and engages in union projects with the local community. It has been a blessing to have, in recent years, been a contributor to the formation of new churches under the Ore-Ida Christian Evangelistic Association and also to help establish the Christian Education in conjunction with Minidoka County High School. We help support several Christian Colleges as well as 4 missionary families.

The congregation of First Christian Church of Rupert maintains a zeal to show itself approved in the study and challenge of God's Word. It is evangelistic in nature and desires to touch the world with the ministry. Led of God to these aspirations, this body recognizes the abounding need of divine guidance and intervention in all undertakings whether large or small. We seek His continued blessing as we press forth in service.

Dear Claimant(s):

In the past you submitted the claim(s) identified with the number(s) shown above your name and address at the top of this letter. You indicated on the claim(s) that the basis for establishing the water right(s) was Beneficial Use, meaning the water right was not previously confirmed by a decree, water right license or permit before you filed the claim(s).

The purpose of this letter is to request evidence supporting the priority date(s) you have claimed. The enclosed pamphlet describes what this means. While I encourage you to read all of the pamphlet, I direct your attention to the right-hand half of the pamphlet after you open it. There you will find two sections: What Kind of Evidence is Required, and Some Examples of Documents which May Be Evidence of the Priority Date. These sections tell you what must be submitted. The other sections tell you why the evidence is necessary and what the consequences of not submitting the evidence could be.

Please submit the requested evidence by November 1, 1990. When returning to the Department please reference all documents with the claim(s) identification number(s) listed above.

If you have questions not addressed by the pamphlet or need other technical assistance, please feel free to contact this office. For advice on your water right(s), please contact your attorney.

THEORETICAL RATE OF FLOW: $Q = \frac{(8.8) \times (\text{H.P.}) \times (\text{EFF.})}{\text{TDH}}$

Q = CFS
H.P. = Total Brake Horsepower of pumping plant (including booster)
EFF. = Pumping plant efficiency (ASSUME 70% OR 0.70)
TDH = total dynamic head = [(LIFT) + (PSI X 2.31)]
LIFT = depth to water in FEET from land surface to pumping water level
PSI = pumping pressure measured in psi near pump (if open discharge assume zero [0])

$$Q = \frac{(8.8) \times (5) \times (0.70)}{[(20') + (70 \times 2.31)]} = 0.17$$
