SUBJECT: Notice of Claim to a Water Right Number 87-10272

Dear Mr. and Ms. Westbrook:

We're in the process of reviewing your water right claim for decree in the Palouse River Basin Adjudication (PRBA). During this review I noticed that the quantity of water was left blank on the claim form. This is an item that needs to be included, and because it's a legal document, it needs to be amended.

Consequently, I've enclosed an amended claim on which I've added a quantity amount. You'll find it under item six and seven. That amount is 0.04 cfs (cubic feet per second) and is equivalent to approximately 18 gpm (gallons per minute). If you are in agreement, please sign the claim and return to my attention at the address listed above.

Please feel free to contact me at (208) 762-2800 or by email at linda.werner@idwr.idaho.gov if you have any questions. I'd appreciate it if you would return the claim by September 14, 2020, so I can complete your claim recommendation in a timely manner.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
