Dear Mr. Shauvin,

In regards to our phone conversation on 2/23/2021, enclosed is your Amended Notice of Claim to a Water Right. Below are comments on what is amended on the claim. Everything on the Amended Claim is the same as the original claim except these highlighted sections:

- #1, Name: Changed it to your name and contact information.
- #2, Date of Priority: Changed it from 1/1/1990 to 12/31/1904.
- #5, Description: Stated the well supplies the home.
- #8, Uses: Removed the specified stock quantities.
- #12, Remarks: Described that the priority date came from and when the home was built.

Below are further instructions required from you:

- **Names:** If you want to include your wife's name on the water rights, make sure to include her name on the Change in Water Right Ownership form and hand write it in next to the blue arrow on the Amended Claim. If you do this, have her sign both documents as well.
- **#14, Yellow Arrow, Signature:** You (and your wife) sign and date the Amended Claim.
- **Change in Ownership:** Complete the form, provide a copy of the Recorded Warranty Deed.

By amending your claim, you are more accurately reflecting when the use began occurring on the property. Review the claim for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it. I will send you a copy of the original Notice of Claim for reference.

Also, the future plans you have for the spring does not require a permit from the Department.

Please mail the completed Amended Notice of Claim and Change in Water Right Ownership form back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me.

Sincerely,

Christopher Holmes
