Subject: Northern Idaho Adjudication Questions

Good afternoon,

I am emailing you in regards to our phone conversation earlier this month regarding filing claims for water rights on 1400 Sand Rd. I received the additional fee for the irrigation claim, and this morning I received and entered the claim for the two homes.

After looking through both claims collectively, there are a couple of questions that I have. I called the phone number supplied on the claim I just received, (208) 882-0312, but the call does not connect. Please call me at the number below to discuss the two claims. If I don't hear from you in the next couple days, I will call the number (509) 330-1208 which is the number that was transferred to my office when we first discussed the claims earlier this month.

Sincerely,

Christopher Holmes
