Attachments: 87-11754 MAP.pdf

Mr. Rheingans,

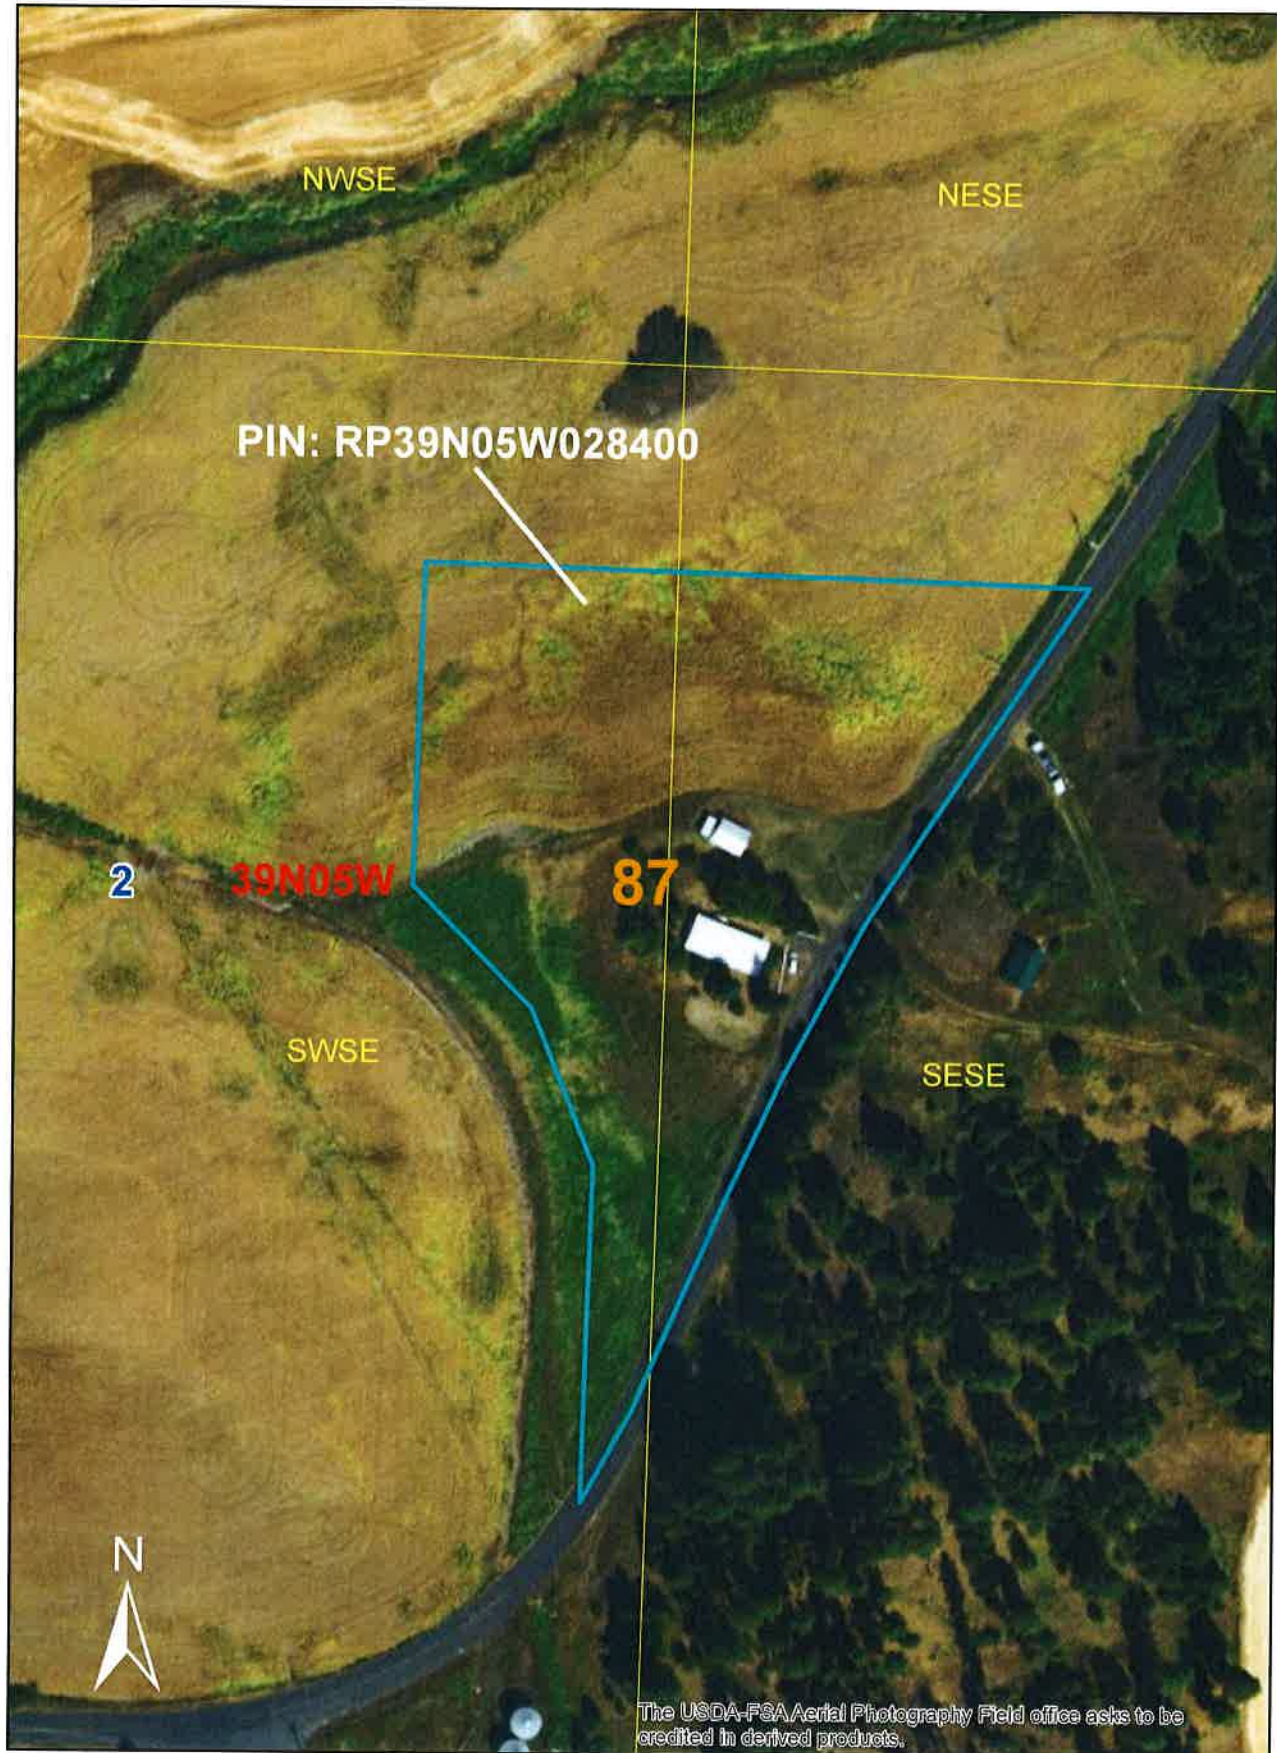

As per our phone conversation this morning, I am sending you a parcel map of the property you filed a domestic water right claim for (87-11754). Clarification is needed to ensure the well location is accurately described in our recommendation of the claim to the Court. Please mark the attached map with the approximate location of your well and return the map to me by email or my mail to the address listed below. I appreciate your help with this.

Regards,

Evan
