II. STATEMENT OF THE RESPONSE

1. ☒ Name and Address: I respond to the objection concerning the name and/or address of the owner of the water right.
11. ☒ Remarks: I respond to the objection concerning the "remarks" listed with the water right.

REASONS SUPPORTING EACH BOX CHECKED

In response to Statement of the Objection items 1 and 11 and all allegations of the objection regarding these items, IDWR responds as follows:

IDWR is informed and therefore believes that the lands upon which water is diverted and used pursuant to this right are owned by the United States, and that the claimant uses these lands with the permission of the U.S. The United States did not file a notice of claim for the uses made pursuant to this right; and federal ownership of these lands or agreements with the federal government as to use of these lands are not necessary to define the water right. IDWR denies the objection and any allegations of the objection not expressly admitted herein.

CHANGES TO THE DIRECTOR'S REPORT

The director proposes no changes to the description of this claim in the Director's Report.
