Hello, Available records indicate that you might be the owner of the property described as the place of use for Palouse River Basin Adjudication (PRBA) claim 87-10367. I have attached a map and a water right report describing the claim. According to our records, the property can be described as follows:

Legal description: T41N R04W Section 10 NESE
Parcel No: RP41N04W107200 in Latah County

A water right claim was filed on this property in the PRBA. We suggest that if you now own the property in question that you file a *Notice of Change in Water Right Ownership* with this department so that we may send all further correspondence to the appropriate owner.

I have attached an Ownership Change form. Please fill out the form completely, sign and date it and return it to IDWR's Coeur d'Alene office, along with a **copy** of your Warranty Deed and legal description of the property you have purchased.

If you have any questions please feel free to contact our Northern Regional office of IDWR at (208) 762-2800, or me at the number below.
