Dear Claimant(s):

In the past you submitted the claim(s) identified with the number(s) shown above your name and address at the top of this letter. You indicated on the claim(s) that the basis for establishing the water right(s) was Beneficial Use, meaning the water right was not previously confirmed by a decree, water right license or permit before you filed the claim(s).

The purpose of this letter is to request evidence supporting the priority date(s) you have claimed. The enclosed pamphlet describes what this means. While I encourage you to read all of the pamphlet, I direct your attention to the right-hand half of the pamphlet after you open it. There you will find two sections: What Kind of Evidence is Required, and Some Examples of Documents which May Be Evidence of the Priority Date. These sections tell you what must be submitted. The other sections tell you why the evidence is necessary and what the consequences of not submitting the evidence could be.

Please submit the requested evidence by November 1, 1990. When returning to the Department please reference all documents with the claim(s) identification number(s) listed above.

If you have questions not addressed by the pamphlet or need other technical assistance, please feel free to contact this office. For advice on your water right(s), please contact your attorney.

Sincerely,

Allen Merritt, P.E.

IN CASE OF ERRORS OR INQUIRIES ABOUT YOUR BILL

The Federal Truth in Lending Act requires prompt correction of billing mistakes.

1. If you want to preserve your rights under the Act, here's what to do if you think your bill is wrong or if you need more information about an item on your bill:

a. Do not write on the bill. On a separate sheet of paper, write a description of the error and an explanation (to the extent you can explain) why you believe it is an error.

b. If the creditor does not follow these rules, the creditor is not allowed to collect the first 550 of the disputed amount and finance charges, even if you may be correct.

c. If the creditor reports you as delinquent or makes a credit report reflecting the dispute, the creditor must let you know to whom such reports were made and the creditor must correct the report. But the creditor must also report that you dispute the amount. The creditor may report you to credit bureaus and other creditors and may pursue regular collection procedures. But the creditor must pay the disputed amount after you receive his explanation that you will refuse to pay the disputed amount.

d. If the creditor's explanation does not satisfy you and you notify the creditor in writing within 10 days after you receive his explanation that you will refuse to pay the disputed amount, the creditor is not allowed to collect the first 550 of the disputed amount and finance charges, even if you may be correct.

e. If the creditor does not follow these rules, the creditor is not allowed to collect the first 550 of the disputed amount and finance charges, even if you may be correct.
