Lila Hallman called for Steve Harmsen regarding the ownership change form he submitted and I replied to and sent back to him in July 1999. Harmsen had specifically called to 36-14325 and 36-14323 on the ownership change form he submitted, but the warranty deed he included did not cover the property to which the two basin 36 claims were appurtenant. In July I researched and found A47-15245 that seemed likely to be the claim Harmsen purchased. I sent him a profile rep't of all three claims and told him to figure out what was his. Today Hallman called to "get more information for Steve". I told her that he had to look at the info I sent him and let me know if any of the rights were appurtenant to property he owned. If he had questions, he could call me personally since he knew more about it than she did. See letter with 36-14323 and 36-14325.

RE: Snake River Basin Adjudication (SRBA)
36-14325, 36-14323, A47-15245

Dear Sir or Madam:

We received the enclosed Notice of Change of Ownership for property conveyed to your company from Northern Hydro, and formerly owned by Carl and John K. Urie. Water right numbers 36-14325 and 36-14323 were specifically noted on the Change of Ownership form, but are not appurtenant to the property described in the Warranty Deed and Quit Claim Deed submitted. In addition, they are in the name of John and Beth Urie.

A search of our records produced a water right Adjudication Claim number A47-15245, in Twin Falls County, that does seem to be appurtenant to your property, and is in the name of Urie Estate and Carl Urie. Please review the enclosed computer print outs of the above claims. If you wish us to change the ownership of claim number A47-15245, please correct the Notice of Change and return the entire package to this office. If you wish to change ownership of 36-14325 and 36-14323, please provide us with documentation proving conveyance of this parcel of property to you from John and Beth Urie.

If you have questions, or if I can be of further assistance, please don't hesitate to contact me.

Sincerely,

Vikie Hancock
Water Resource Agent
