Dear Claimant(s):

In the past you submitted the claim(s) identified with the number(s) shown above your name and address at the top of this letter. You indicated on the claim(s) that the basis for establishing the water right(s) was Beneficial Use, meaning the water right was not previously confirmed by a decree, water right license or permit before you filed the claim(s).

The purpose of this letter is to request evidence supporting the priority date(s) you have claimed. The enclosed pamphlet describes what this means. While I encourage you to read all of the pamphlet, I direct your attention to the right-hand half of the pamphlet after you open it. There you will find two sections: What Kind of Evidence is Required, and Some Examples of Documents which May Be Evidence of the Priority Date. These sections tell you what must be submitted. The other sections tell you why the evidence is necessary and what the consequences of not submitting the evidence could be.

Please submit the requested evidence by November 1, 1990. When returning to the Department please reference all documents with the claim(s) identification number(s) listed above.

If you have questions not addressed by the pamphlet or need other technical assistance, please feel free to contact this office. For advice on your water right(s), please contact your attorney.

Sincerely,

Allen Merritt, P.E.

RE: Evidence of Priority - Snake River Basin Adjudication
Claim #A36-14617

Dear Claimant(s):

Our records indicate that your claim(s) listed above, is based upon either a "Statutory Claim" or "Beneficial Use" of the water. For water rights of this type, the claimed "Priority Date" must be substantiated with supporting evidence. We previously requested this supporting evidence be submitted by November 1, 1990, and to date we have not received the requested documentation.

Before the Department can make a recommendation to the Court to decree the claim(s), some evidence of the priority date must be submitted. Again we are enclosing a brochure outlining the types of evidence you may submit, and a printout of your claim(s) for reference. We request that you submit your evidence of priority as soon as possible. If we do not receive the requested documentation, your claim(s) will be recommended for disallowal due to lack of evidence supporting any priority date.

Please submit the required evidence supporting the priority date(s) by April 23, 1991. Please reference the claim number on your correspondence. If you have questions or need other assistance please contact this office.

Sincerely,

Allen Merritt, P.E.
