Robert F. Henry

being first duly sworn,

deposes and says: I have personal Knowledge of the
development of the sprinkler system in 1981 on
the old Metzler Place in Jerome Co. The
development was put in by Dan Adamson and
first used in 1981 whereby there was an increase
in the ~~additional~~ amount of acres irrigated as described
in the claim A36-15163. From 1983 to 1989
I leased the property and these acres were
continued to be irrigated for in set-aside. In
Dec. 1989 I purchased the property. The
system developed in 1981 combines canal water
and groundwater in a pond whereby the water
is pumped into a mainline which supplies water
via sprinkler to land in Section 11 and 12

TO File A36-15163

SUBJECT This day I met with Mr. Henry and we discussed the expanded care issue on the old Metzger Place. He purchased the property in Dec. 1989 after the claim was filed and assumed everything was taken care officially by the bank. In light of this situation I did not charge the late fee in filing the expansion claim.
