Dear Mr. Parkins,

In regards to our phone conversation on 3/10/2021, enclosed is your Amended Notice of Claim to a Water Right and new claim for the well supplying the home. Below are comments on what is amended on the claim already received by the Department. Everything on the Amended Claim is the same as the original claim except for the redactions and these highlighted sections:

- #3, Source: Corrected the source and tributary based on topographic maps.
- #4, Point of Diversion: Corrected the legal description to include all of your property, and acknowledged where the unnamed stream begins and ends.
- #5, Description: Stated that the use is instream stockwater.
- #6, Use: Changed the stockwater use quantity to typical instream stockwater use, .02 cfs.
- #7, Quantity: Changed the quantity to match #6.
- #9, Place of Use: Corrected the legal description to include all of your property.
- #11, Other Rights: Stated there is a well that supplies the home.

I also sent a new claim form for the well supplying the home. This claim form is nearly completed based on our phone conversation. Below are further instructions required from you:

- **#14, Signature:** Both you and/or Tamera Parkins sign and date **both** documents.
- **Fee:** Provide a \$25.00 check payable to IDWR.

By amending your claim, you are more accurately reflecting the use occurring on the property. If you do not complete the amended claim form, your claim may be recommended as disallowed. Review the claims for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it.

Please mail the completed Amended Notice of Claim, new claim and check back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,
