RE: SRBA Claim A36-02483 number change to A36-15173

Dear Claimants:

In our review of the claims filed in the Snake River Basin Adjudication we have found it necessary to renumber your claim as described above. This action may have been taken as a result of one of the following described situations:

A. We are correcting a duplication of numbers made when the claims were initially taken.

B. We are correcting the number since it was initially assigned in the wrong basin.

C. We have matched an existing water right number with the water use you claimed and for continuity have changed the number to correspond.

D. We have reviewed the water right record corresponding to the your initial claim and have found that the water right record does not exactly correspond so a new number has been assigned.

Please note that the change in the number of your claim does not affect the validity of your claim. Please refer to the new number in all future correspondence. Please find enclosed a copy of the computer record of A36-15173. If you have any questions please feel free to contact our office.

Sincerely,

Allen Merritt, P.E.
