RE Change in Water Right Ownership 87-10557

I spoke with Brad Hill this morning about the Change in Water Right Ownership that was sent to him on March 10th, 2021. He let me know that he inherited the property from his father's estate, Warren E. Hill Life Estate, and hasn't been able to change the property into his name yet. He will leave the water right in his name and work with the county to get the property changed into his name.
