SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-11762, New Claim

RESPONSE DEADLINE:
APRIL 2, 2021

Dear Mr. Davis,

In regards to our phone conversation on 3/16/2021, enclosed is your Amended Notice of Claim to a Water Right and new claim. These two claims together are for a well that supplies the home, stockwater and irrigation uses we discussed.

Below are comments on what is amended on the claim already received by the Department. Everything on the Amended Claim is the same as the original claim except for these redactions and highlighted sections:

- #3, Source: Removed the unnamed stream from the claim.
- #4, Point of Diversion: Corrected the well's legal description based on your verbal description. Removed the legal description for the stream.
- #6, Use: Removed the irrigation and wildlife uses, and the volume for the domestic and stockwater use. Corrected the stockwater to year round use, and the quantity for typical stockwater use.
- #7, Quantity: Changed the total quantity by adding the domestic and stockwater quantities. Removed the volume of 0 A.F.A.
- #8, Non-Irrigation Use: Removed the descriptors that are not for the domestic/stockwater use.
- #9, Place of Use: Removed the irrigation and wildlife uses.
- #12, Remarks: Added the parcel number for the property.

I also sent a new claim form for the well supplying the irrigation. This claim form is nearly completed based on our phone conversation. Below are further instructions required from you:

- **#14, Signature:** You and/or Christa Davis sign and date **both** documents.
- **Map:** I attached a map to the new claim. Please mark an X on the approximate well location, and outline the area that is irrigated.

By amending your claim, you are more accurately reflecting the use occurring on the property. If you do not complete the amended claim form, your claim may be recommended as disallowed. Review the claims for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it.

Please mail the completed Amended Notice of Claim, new claim and map back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
