SUBJECT: Palouse River Basin Adjudication Claim (PRBA) Nos. 87-4042, 4043, 7004

Dear claimant,

The Idaho Department of Water Resources (IDWR) has not received any response from you regarding the above adjudication claims in the Palouse River Basin Adjudication. Multiple attempts to reach the mayor and Brennan Pollock by phone, mail and email have been unsuccessful.

Because I have not received any correspondence, I will complete my recommendation for the above mentioned claims. Based on my field examination, the quantities required by the city is not sufficiently covered by the claims. Because of this, a permit is required to cover the additional quantity to bring you in compliance with Idaho Code. Please contact Luke Bates for additional permitting information. His phone number is (208) 762-2817 and his email is Luke.Bates@idwr.idaho.gov.

If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,
