Subject: Discussion of the water right claim for your Lenville Rd. property

Good morning Mr. Crapuchettes,

I have been working through the review of your Palouse River Basin Adjudication (PRBA) Claim, and have a few things to discuss with you regarding the claim and how we may recommend it to the Court. This claim was filed for the domestic use of a well at your property located at 4930 Lenville Rd. In order to ensure the accurate recommendation of the water right, some discussion is needed to better assess the historic well use and location of the well(s) serving the home.

Please contact me at your earliest convenience.

Best Regards,

Evan
