RE: Notice of Change in Water Right Ownership
Palouse River Basin Adjudication (PRBA) claim 87-11658

Dear Steve Greene,

The Idaho Department of Water Resources (IDWR) is currently in the process of reviewing PRBA claims in your area. Available records indicate that you might be the owner of the property described as the place of use for PRBA claim(s) 87-11658. According to our records, the property to which I am referring to was most recently owned by GWEN ROWE and can be described as follows:

Legal description: T41N R05W S2 SWNE
Parcel No: RP41N05W021602 in Latah Co.

This property was filed on in the PRBA. We recommend that if, in fact, you now own the property in question, and do use the water for the purposes claimed, you file a "Change in Ownership" with this department in order that we may send all further correspondence to the appropriate owner(s).

Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to IDWR's Coeur d'Alene office, along with a "copy" of your Warranty Deed and legal description of the property you have purchased.

Note: A fillable PDF version of the Notice of Change in water right ownership can be found on IDWR's website at: <http://www.idwr.idaho.gov/forms/adjudication.html>

In addition, as the result of correspondence with the original claimant, Gwen Rowe, it was brought to IDWR's attention that the well identified as the point of diversion on claim 87-11658 also provides water to at least 2 additional homes. If the intent is to include one or both of the other homes on this claim, then I recommend you contact IDWR to discuss your options.

If you have any questions regarding this matter, please feel free to contact me at (208) 287-4916.

Regards,

Evan W. Roda
